AGENDA: *The New World* (Jesuit)*Order: world tyranny: The Jesuit Order*

(THIS IS AS "POLITICAL" AS I WANT TO GET; BUT I DO WANT TO SHARE THE TRUTH WITH YOU ABOUT HOW EVIL RUNS THE WORLD)

"*The Agenda*" is one term for the "new world order" used by the insiders / globalists -- the ILLUMINISTS, also called the ILLUMINATI. *Ultimately, the goal of the spiritual adversary of mankind is to rule the whole world (currently by putting the UN over every nation). It also includes the Agenda: to move the Papacy to Jerusalem*, and this has been the primary design for 1600 years, only overshadowed by the objective to expunge the entire nation of Ysrael from the Earth, because of the Covenant. This conspiracy is very old, and of course is also known as the "hidden agenda". Think about history; Constantine moved the capital of the empire *eastward* from Rome, to "Constantinople" (*this one move was about 2/3 of the way*). This was one of the **first** major leaps to achieve *The Agenda*. What a goof it turned out to be; it was

probably one of the real major reasons for the *fall of the empire* within a few decades. All the roads of the empire led to Rome, *not Constantinople*, so the authoritarian rule could no longer be sustained. The barbarians swept into the abandoned city of Rome. The totalitarian grip of the "Nicolaitans" (Catholic Papist tyrants) had to re-group; not long afterward they were slapped in the face with the "Magna Carta", or "Great Charter", defining and **limiting the powers of rulers**. They've designed conflicts of every sort, and even invented *Islam* to plow the way for the big Papal move from Rome to Jerusalem. When it failed to achieve the goals it was designed for, 400 years of "Crusades" were sent against the new invaders of Jerusalem. No matter what they did, the Papacy could not seem to get moved to Jerusalem. When Ysrael **BEGAN** to be established in 1948, *The Agenda* became endangered of never becoming possible. The friendship of Ysrael and the US is their open sore, and they bewail it at every turn, especially in their own halls of the United Nations. The ultimate charter to control power-lusting rulers is embodied in the US Constitution. It is designed to *control government*, not citizens. It sets boundaries of behavior, and the US Constitution is like **KRYPTONITE** to tyrannical Papists -- they want to destroy it. It will NEVER allow a **concordat** to be established with the Papacy. It empowers *the people*, not their "god", the Pope. The *Pope* rules over the leaders of the nations of this world, and to back up that claim we simply look at Rev. 18:3, but it's best to read chapters 17 & 18 entirely. Daniel 4:17 tells us that we are ruled over by the *lowest of men*; that's religiously and politically. The Jesuit JEDI are also controlling the media. They are phenomenal propagandists. After all, the Jesuits put the finishing touches on the Roman calendar we all inherited from Julius Caesar; They are also the source of the promoted name, "JESUS", which many are now learning is not the true "one Name given among men by which we must be saved". They are known as, "The Society of Jesus", and also

promote the "inspired Greek New Covenant", and the NIV (*Nearly Inspired Version*). Their influence around the world through seminaries is one thing; but they also play a part in every social and political upheaval wherever they may occur. Often a media person will interview a "Jesuit priest"; but be aware, they are all Jesuit priests, even those in deep cover within societies -- they are the primary agitators to change or over-throw regimes. They are rampant in the media (broadcasting, print, etc.,) The nerve-center to watch is the **UNITED NATIONS**. Created by the CFR (Illuminati), the **UN** is the "New World Order", and will be firmly established as the one-world government when the globalists set up the **UN TAX** they have planned for every person on Earth. The US Constitution is in the way of this global take-over, so the next step will be to merge Canada, USA, and Mexico into a union, the the North American Union. This new overlord government will trump the US Constitution, and the USA will effectively become just one member of the new union. Those concrete barriers you see everywhere along the expressways will be used to lock the roads closed, so there will be checkpoints to pass for anyone trying to leave an urban community. The secret Order of the Quest (world domination, NWO) is planned and facilitated ultimately by:

The Jesuits: Assassins, Teachers, Infiltrators, Tyrants

The plan hatched by the United Nations at the end of WWII to exterminate the remaining "*Jews*" left in the world was to create (allow) them to move back to the land of Ysrael, promised to them by Yahuah so long ago. By moving into this land, they would be surrounded by their most violent enemies, the remnant populations of ancient Assyrians, Ishmaelites, and Edomites. The hope of the UN was to see them attacked, overpowered, and exterminated without mercy. And, they were immediately attacked, but overcame their enemies by the help of their husband, Yahuah. Today, the sovereign

state of Ysrael remains under constant threat of attack from every direction. What the UN planned as evil, Yahuah will use for our good, and our Mashiach will come to protect the remnant that endures to the end.

The Jesuits have designs to take control of the entire Earth, in order to bring everyone under the authority of "god" on Earth, the Pope. This theme is seen in the movie Star Wars, but it is not the "dark side" that is to be feared - it is the dreaded JEDI, led by their "Jesuit General", YODA. The "spiritual exercises" of the JEDI knights reflect the mind-control techniques at work in real-life Jesuitism. (see link to book, [Codeword: Barbelon](#) for perhaps the best book on the subject of Jesuits).

These two pictures literally illustrate what is happening. In the movie *2001 A Space Odyssey*, the apes represent free men; but one morning they wake up and their "country" was taken over by the presence of a foreign object - forever changed! Have you ever felt that your country is no longer the same one you were born in?

UN Building New York City

The **US Constitution** is their primary obstacle, and it is under constant attack by infiltrating **CFR** members as "candidates" for US government offices 24/7. Proclaiming "liberty" as a **right of all people** means tyrants can't go around locking-up people without due process. They have a right to their liberty -- personal freedom to

travel and live where they choose. This was not so until the US Constitution declared it. They (tyrannical Papists) tried their hand at global domination with the "League of Nations", and it failed. A few decades later, they tried it again with a new name, the United Nations, and it's about to work. They even placed its headquarters in the US, their greatest obstacle to their success, with the hope that becoming a recognized "fixture" will make us more comfortable having them around. The UN is a foreign power on US soil. New York and Chicago are the most populous Catholic areas in the USA. The **ILLUMINATI** changed its name to operate as a "shadow government" "within" the US government through the infiltration of its members -- it is known as **CFR**, or the **Council on Foreign Relations**. The Jesuits are fantastic infiltrators. Another element of the "shadow government" is the Central Bank, called the "FED", or "Federal Reserve Bank". The Catholic-Jesuit-CFR-FED infestation within the US government is "cloaked" almost as if people are unaware of what they are really looking at. "Maryland", the state, is named for "Mary"; the Whitehouse is built on farmland that was originally named "Rome". Those who you would never consider to be "Catholic" would surprise you – once *Jesuit-trained*, they enter their disguised, *infiltrating role* and often seem to be against Catholicism. You would not believe the list of men who are Jesuit-trained (do a search on google using the key words "*Jesuit trained*"; Francis Cardinal Spellman, Fidel Castro, Adam Weishaupt, Cecil Rhodes, -- and many others that would shock you, like Yassar Arafat). The organization, the **CFR**, **is the Illuminati**, in disguise. Presidents from both sides of the aisle are elected from its membership; so effectively there is really only ONE party, the CFR. The parties are simply different "management teams". Whichever one "wins" in any election, POLICY doesn't change one bit. "Democrat" or "Republican" -- such labels are meaningless really, because the outcome of either winning an election will be the same.

The objectives of the **CFR** will be carried out. Their main purse strings extend from the central bank, the Federal Reserve Bank (a private bank, but it has an "official" sounding name). **They thrive financially on the interest of our national debt, which the Central Bank "loans" to the government from money the Central Bank literally creates out of THIN AIR.** Follow the money-trail, and you'll find the really bad-guys. The Jesuits. **Sure, they use the ruse or facade of "Jewish bankers" to hide behind, but this is all propaganda. "Blame it on the Jews" is their excuse every time. Forget about the "Rothchilds" -- that's all just FORD/NAZI propaganda promoted through the "Protocols of the Elders of Zion" non-sense.** The "Protocols of the Elders of Zion" is actually a Jesuit-authored forgery authorized by the anti-Semitic Czarist police in early 20th-Century Russia that purports to be minutes of a meeting of top Jewish leaders plotting world domination. The Jesuits composed the "Protocols", and in fact many of them wear their own Jesuit protocols written in a miniature book on a chain around their necks. These little books contain the Jesuit protocols, which the Jesuits used as the model for the "Protocols of the Elders of Zion". The Jesuits coined the word "Zionism". **Henry Ford had this Jesuit-authored document translated into English and published in America, *but it was all composed by Jesuits as a conspiracy to "frame" the Yahudim for their own actions.*** Hitler had a portrait of Henry Ford behind his desk, declaring that "this is one American who understands us". Vatican / Jesuit assassins have killed many; Abraham Lincoln, the Czar of Russia and his family, and John F. Kennedy to name but a few. The **Order** (Jesuits) were at the center of the Vietnam conflict, as they used the Catholic president (Diem) of South Vietnam to wipe out the Buddhists. You'll notice the Jesuits are present in most of the conflicts around the world. Often, the media interviews them, and even tells you they are "Jesuit priests". Over the centuries, they would get as close to leaders as possible, and become their advisors.

They would teach the leaders' children, and the higher classes' children, in order to steer the culture toward the Papacy. Here is an overview of their current international organizational structure:

The political parties of the US are modeled after M.A.F.I.A. crime families, and they constantly vie for dominance to get their "kingpin" (crime boss) into power at the top. Controlling the money and the creation of it, the US Congress and Central Bank seek to control the world, in spite of their oath to defend the US Constitution. The CFR created the United Nations, and this body will ultimately become the tyrant of the whole world. Nation-states will be dissolved within the next century, or sooner. What happened to the sovereignty of the individual states in the Union during the Civil War in the US will also be the outcome of sovereign nations around the world. The UN will usurp their authority over their citizens.

AMERIA - FROM FREEDOM TO FASCISM (the scariest DVD you'll see this year!)

Here's a few words shared from deoxy.org: "The head of the global banking trans-corporation known as the Illuminati is in Belgium, at the famous Castle of Darkness, a large mansion estate in the countryside near Muno. The Illuminati are actually the JESUITS (remember the spanish inquisition?) they have never disappeared from the earth, they are the modern Elite EU banking families we have today. (Rothschilds, bank of London, etc) They control most of the politicians in Belgium and the USA through Blackmail and Coercion tactics, including sexual blackmail, death threats, etc. The Castle of Darkness is a real castle in MUNO, BELGIUM, in case you want to run a search.

Muno, Belgium is famous for its JESUIT roots, and many JESUITS still live in the area today. The JESUITS are obsessed with global domination and have been at it for many centuries. They are all over the world, and practice ancient SAXON BLOOD RITES and RITUALS, that include child sacrifice to satan.

Run a search on google for "Belgium's silent heart of darkness"

The URL:

<http://observer.guardian.co.uk/review/story/0,6903,710090,00.html>

You will see a pattern of kidnapped children , terrified Judges, and dead witnesses surrounding the JESUITS and evidence of ritual satanic torture and murder,etc, wherever they hold their

secret meetings, many local kidnapped children are never seen alive again. (on December 16, 2004, a woman was killed and her baby cut from her womb in Missouri, USA, and there have been many other women killed and their babies taken from their wombs).

The Illuminati are the brains behind the NEW WORLD ORDER, and have a global plan for its conception and design. Many of the former US presidents are members of their secret society, they meet in America at a place in Northern California called BOHEMIAN GROVE. Run a search of Google for BOHEMIAN GROVE. Alex Jones made a secret video of the Bohemian Grove meetings (Near Monte Rio California) where you can see the JESUIT Rituals being performed next to a giant stone statue of HORUS the Falcon. The JESUITS secretly hold Egyptian statues in high esteem to be used in some of the outdoor rituals. "

(end of excerpt)

The Jesuit General is often called "the black pope". Truly, whoever this man happens to be at any point in time, he's the most powerful man on Earth. They will use some "Latin" because any good old-school Catholic knows this is a "sacred" language. Actually, Latin is the language of the men who executed our Messiah, Yahusha --*the Italian Roman army* (it wasn't carried out by the "Jews" after all, but the Romans). Watch for the *Latin* stuff -- they use it to hide meanings from the common, uninitiated population. Also, remember there is "old Latin" and "new Latin" -- words are spelled slightly differently, and this allows them to further conceal their cryptic messages to one another.

"Announcing the birth of a new world order." These words are inscribed on the back of each US Dollar bill, written in Latin: ANNUIT COEPTIS NOVUS ORDO SECLORUM. The "ORDER" that is being described here, to cut to the chase, is the JESUIT ORDER. To **conceal** the true meaning of the words, this "motto" is translated for **public consumption** in a number of benign-sounding ways: in *their* words,

Or, as it is now translated by the U.S. State Department:

"He (God) has favored our undertakings." (LIKE THAT SOUNDS RIGHT OR SOMETHING)

THEY NOTE: *Annu* does not mean "to announce" (*annuntio*). (so **THEY say**).

The disinformation concerning these words written on the "Great Seal" is very strange, and it's possible there are people gullible enough to believe it. For example, *they* "translate" (twist) the phrase NOVUS ORDO SECLORUM this way:

Thomson coined the motto: **Novus ordo seclorum.**

The accepted translation is: **A new order of the ages.** (notice the **word "accepted"**).

Thomson explained:

"The date underneath [the pyramid] is that of the Declaration of Independence and the words under it signify the beginning of the new American Æra, which commences from that date."

THEY NOTE: Novus ordo seclorum cannot translate into "new world order. (so THEY say).

The Illuminati and the Free Masons adhere to the hope that eventually the "New World Order" will be ushered in, and they will be the puppet masters. They believe their "arcane" and mysterious secrets will draw men to them; Adam Weishaupt actually stated that it was the "mystery" of his organization that made it so easy to control people. Men don't learn this at the lower levels, but Masonic authors writing to their own brotherhood of "masters" have revealed that they worship Osiris / Horus, and this is why the Great Seal has the "EYE" at the top of the Egyptian pyramid. They admit the name changes according to the culture; but ultimately it is the sun, and "Lucifer" that they call upon with the name "JA-BUL-ON" (a combining of the names YAH, BAAL, and ON).

The familiar logo we call the "Great Seal" was really adopted from the Illuminati, and its designer was actually Adam Weishaupt of

Bavaria, the Illuminati's founder (a Jesuit). He founded the Illuminati in 1776, seen in ROMAN numerals at the base of the Nimrod-pyramid-obelisk seen on every one dollar bill. The glowing EYE is not Yahuah, but rather satan, worshiped for millennia as the SUN. The "eye-in-the-sky" has always been the sun, called Solis Invictus, Horus, Molech, to just name a few. The occultic (hidden) religion of the Pagan king NIMROD is secretly being kept alive through traditions, and secret societies all over the globe. Is there any doubt in anyone's mind that the fabulous "builders", the Masons, might not be involved to some extent? The Jesuits are the ultimate control freaks, or tyrants, and have been attacking our rule of law, the *US Constitution*, for 200 years. They assassinated Abraham Lincoln because he resisted the establishment of a "central bank". **The Jesuit assassins murdered him.** The Jesuits cannot operate with a free hand as long as the US Constitution is controlling their actions. The US Constitution grants and defends life, liberty (non-imprisonment), and the pursuit of happiness to all men, as inalienable rights endowed to them by the Creator. It only limits and controls GOVERNMENT, and shuts down their authoritarian, oppressive, invasive tyrannical tendencies. Politicians serving the interests of the Jesuit Order have for years attempted to change, bend, and stretch the US Constitution in order to free their hands and get at us.

The government of the United States derives its power from the consent of the governed, and all men are created equal. (Not "evolved" equally, but created). The first thing they do when they take their oath of office is swear to *defend the US Constitution*, but they break this oath often, and get away with it. When the government is afraid, there is justice and liberty; when the people are afraid, there is tyranny. Yes, the US Constitution leaves no room for tyrants to take control -- and tyranny is the main goal of the JESUIT ORDER. Through free public education, Humanism is promoted (an

atheist religion promoting situation ethics). The conspiracy of the globalistic Jesuit/Illuminists is to establish a world government (U.N.) by "educating" the children with evolution-communism-Humanism ideals, and have the nations of the Earth submit to the global laws, and slowly surrender their arms in exchange for the military protection of the World Government. The objective is world peace, accomplished by the "peace keepers", the U.N. strike forces. The Humanist Manifesto reveals the ultimate objectives of the new world order, and seeks to eliminate the family unit and all competing religions.

There has been a constant attack against the US Constitution, the rule of Law we are ruled by in our Republic. The average person hears "democracy" so often, they accept it. The Nazi party (NSDAP) was made up of social democrats. Candidates, presidents, and the media use the word democracy sometimes correctly, that is when they describe the process used in electing those who represent us. Our form of government, however, is not a democracy; it is a republican form of government, and that government is controlled and kept in check by the rule of law, the US Constitution. "We the people" are the government, and we elect those who represent our will, so those governed over allow and consent to the policies of that government. As the world grows increasingly reprobate morally, we witness scandalous behavior at every level of society. Yahusha will rescue His pious ones from what is coming, and fire will consume every abomination.

The *majority* doesn't rule over our people, *the rule of Law does*, expressed in the US Constitution and Bill of Rights. The majority simply elects our representatives, who are elected to defend the US Constitution. George Washington warned us long ago:

"Government is not reason; it is not eloquent; it is force. Like fire, it is a dangerous servant and a fearful master."

If we were ruled by what the *majority* wanted, we would be a *mob-ruled* nation. Or, we would be ruled over by the tyranny of a papist, as most of the countries of Europe we escaped from have been (investigate the word "*concordat*"). A papist is a patsy of the "Pope", whether they be ruling a country or simply obeying Roman Church "dogma". Persecution of any minority is not justice, and cannot lead to peace. We are seeing the last days of the US Constitution now, and soon authoritarian, tyrannical billionaire-lawyers will enslave us even more through higher taxation, national debt, high interest rates, and national emergencies engineered by Jesuit manipulation. High courts are misinterpreting the Constitution, which was instituted for the sole purpose of controlling the government, not the citizens. Courts are molding LAWS through their twisted decisions, countering what legislators have established. Ultimately, the force behind this activism in the judges must be: JESUITS. When time permits, do a Google-search on the words: **Jesuit assassins**.

All small businesses will be out-lawed, and Socialism will grow in demand, to attempt to solve all the problems for the citizens.

The military industrial complex, and the shadow government guided by the CFR, have already entrenched themselves (infiltration), but the population doesn't realize it yet. The "Order" in the phrase "New World Order" is really the **Jesuit Order**, which uses the central bank (Federal Reserve) to fill its treasuries. With wealth and power, there is nothing they cannot accomplish. They control where and when The Scriptures may be quoted in public; and soon they will out-law possessing them, since the new laws concerning "hate crimes" will enable them to do so. ***This will not be the first time the RCC outlawed the possession of the Scriptures among the "dogmas" (official teachings) of the Roman Church, you will find that in 1229 the Scriptures were forbidden to all "laymen".*** This is against Yn. 5:39, 8:31, and 2 Tim. 3:15-17. The vast majority of the

"priests" of Catholicism were not permitted to read Scripture -- they truly were "dark ages" between Constantine and the Reformation. There's quite a bit more to consider. There's a separating taking place between the sheep and the goats, between the two world-views.

The Ten Commandments display was removed from the Alabama Supreme Court building. There was a good reason for the move: You can't post Thou Shalt Not Steal, Thou Shalt Not Commit Adultery and Thou Shall Not Lie, in a building full of politicians and lawyers without creating a hostile work environment. --- from anonymous Email.

Joseph Ratzinger (78) assumed the title "Pontifex Maximus" on Roman Date 4-19-2005 - a title which began in 46 BCE! now going by "Pope Benedict XVI" in costume. He leads the Curia, the same organization the Pontifex Maximus of Roma set up under the sun-worshipping Caesars. Many of the same statues used by the Pagan Mithraic culture have been re-named. Not only are statues/images used, but also many other Pagan articles: holy water, medals, scapulars, steeples, bells, rosaries, candles, costumes, the Kyrie Eleison, the calendar, solar-shaped wreaths, domes, relics, crosses, and former Pagan feast dates revised to put a Scriptural spin on things, blending the Satanic model with new terms and meanings. "Ishtar" became "Easter", and the "birth of the Sun" became

Christmas. The solar image, the crux, became the central symbol of Christianity during the 4th century. Most Jesuits, if not all, know all these things. They simply keep it from becoming popular knowledge. This "pope" is also known within Catholicism as: **"Governor of the World" and "God on Earth" (To Catholics, according to their Dogma)** whose master is:

Peter Hans Kolvenbach
General of the Jesuits
"Sovereign over the Pope"
"PAPA NERO", OR BLACK POPE

This photo, taken from the October 14, 2000 edition of the *Reading Eagle*, is of the Jesuit General, Peter-Hans Kolvenbach, at the Jesuit Center in Wernersville, Pennsylvania. From infoplease.com, we read this about *The Dead Sea Scrolls*:

Discovery of the Dead Sea Scrolls

"The first of the Dead Sea Scroll discoveries occurred in 1947 in Qumran, a village situated about twenty miles east of Jerusalem on the northwest shore of the Dead Sea. A young Bedouin shepherd, following a goat that had gone astray, tossed a rock into one of the caves along the sea cliffs and heard a cracking sound: the rock had hit a ceramic pot containing leather and papyrus scrolls that were later determined to be nearly twenty centuries old. Ten years and many searches later, eleven caves around the Dead Sea were found to contain tens of thousands of scroll fragments dating from the third century B.C. To A.D. 68 and representing an estimated eight hundred separate works.

The Dead Sea Scrolls comprise a vast collection of Jewish documents written in Hebrew, Aramaic, and Greek, and encompassing many subjects and literary styles. They include manuscripts or fragments of every book in the Hebrew Scriptures except the Book of Esther, all of them created nearly one thousand years earlier than any previously known biblical manuscripts. The scrolls also contain the earliest existing Scriptural commentary, on the Book of Habakkuk, and many other writings, among them religious works pertaining to Jewish sects of the time.

The Controversy Begins

The shepherd who made the discovery at Qumran brought the seven intact scrolls he found there to an antique dealer. Three were sold to

a scholar at Hebrew University and four were sold to the Archbishop of Syria, who tried for years to place them with a reputable academic institution and ultimately sold them in 1954 through a classified ad in *The Wall Street Journal*. The ad was answered by Israeli archaeologist Yigael Yadin, who donated these scrolls to the state of Israel and established a museum for them, The Shrine of the Book, at Hebrew University.

Control of the remaining tens of thousands of scroll fragments, however, was not soon resolved. One year after the discovery at Qumran, the United Nations partitioned Palestine and war began. Meanwhile, a ***U.N.* -appointed, Jesuit-trained official*** had summoned Roland de Vaux, director of the Ecole Biblique, a French Catholic Theological School in Arab East Jerusalem, to oversee research on the scrolls. The slow pace of publication and the extreme secrecy of de Vaux's almost entirely Catholic group fueled the theory that the Vatican wished to suppress information in the scrolls."

The Illuminati seeks to destroy civilization, so they may set those they choose in rulership. They openly serve Satan under a Latin term, "Lucifer", meaning "bringer of light". They infiltrate governments and businesses to set powers against one another.

All Illuminati members are 33rd Degree Masons.

The Illuminati strives to accomplish these main objectives:

- 1) Abolition of the Monarchy and all ordered government.
- 2) Abolition of private property.
- 3) Abolition of inheritance.
- 4) Abolition of patriotism.
- 5) Abolition of the family, through the abolition of marriage, all morality, and the institution of communal education for children.
- 6) Abolition of all religion.

THE MESSAGE OF THE GEORGIA GUIDESTONE

1. Maintain humanity under 500,000,000 in perpetual balance with nature. (Note that item #1 is about population control - for a sustainable, equitable, manageable society! This is why ABORTION is such a huge issue for them to "keep legal". They will have to murder much more than the unborn to achieve their goals. They are concerned about the limited natural resources and current rates of consumption, so they are going to foment viral pandemics, to which a selected few will be immune).
2. Guide reproduction wisely - improving fitness and diversity. (Notice this wording softens the idea of EUGENICS).
3. Unite humanity with a living new language.
4. Rule passion - faith - tradition - and all things with tempered reason. (religious fanatics will be cured or eliminated).

5. Protect people and nations with fair laws and just courts.
6. Let all nations rule internally resolving external disputes in a world court. (The Hague is already the NWO court)
7. Avoid petty laws and useless officials.
8. Balance personal rights with social duties. (If you don't produce, you're a burden, and must be eliminated - cleansing).
9. Prize truth - beauty - love - seeking harmony with the infinite.
10. Be not a cancer on the earth - Leave room for nature - Leave room for nature.

The Blue Lodge (Symbolic Lodge of Masonry):

(Similar levels of advancement can be seen in the Cub Scouts, Boy Scouts, and Eagle Scouts; instead of "knights", the young are promoted as "scouts").

- 1) Entered Apprentice
- 2) Fellow-Craft
- 3) Master Mason

*Swords, titles, snakes, knight stuff, and oaths to keep a secret are the constant "mesmerization" each initiate endures. These oaths all lead up to the ultimate revelation at the 30th degree, when the "BIG SECRET" is finally revealed. But, smart people like you (reading this) can find out anything with the web -- but even when told in advance, most will not believe it when told. Albert Pike explained in *Morals & Dogma*: "The Blue Degrees are but the outer court or portico of the Temple. Part of the symbols are displayed there to the Initiate, but he is intentionally misled by false interpretations. It is not intended that he shall understand them; but it is intended that he shall imagine he understands them. Their true explication is reserved for the Adepts, the Princes of Masonry...It is well enough for the mass of those called Masons, to imagine that all is contained in the Blue Degrees; and whoso attempts to undeceive them will*

labor in vain." Lodge of Perfection (Scottish Rite or Ancient and Accepted Scotch Rite):

Consistory of Sublime Princes of the Royal Secret (*THIS IS WHEN THE "SECRET" IS REVEALED TO THE DUPED "KNIGHT"; HE LEARNS HE WORSHIPS SATAN*)

The **Knights Templar** (WARRIOR MONKS) would be so proud to see how their secret society influenced so many "modern" minds. They may have been upset about the red fez, but who cares. The red fez is another interesting study in itself, but we won't deal with it here.

Great info to have in advance: *They won't succeed; Yahusha is going to surprise them at the moment they take over. Their "anti-Messiah", titled "Maitreya", will be slain by the brightness of Yahusha's coming. Maitreya's minions will also perish.*

There will be 2 "denominations" in the world-to-come. One of them (Israel) will be permitted to enter the gates, and the other will have to remain outside:

ISRAEL (Rev. 21:12) **DOGS** (Rev. 22:15)

That's all there is, so the choice will be easy for us. "**No Dogs Allowed**" signs might even be posted.

U.N.*: Presently, probably the most dangerous organization on the face of the Earth. As time goes on, its fascist tentacles grow stronger and longer on the throat of this world. It is the instrument of the men who worship "reason", the illuminati. Watch the office of the

Secretary General; but perceive the puppet masters behind the office - the elite globalists of the N.W.O. Senator Kennedy is an obvious Jesuit plant, working to destroy the Constitution with its freedom of conscience, and individual liberty.

Evolution/Darwinism, Socialism/Communism, Globalism/World Government, Atheism/Humanism; the public education of our children with these principles is their strategy. The United Nations is a Humanist organization, and will never give up. Our knowledge of their agenda is the key to our freedom. Those who know the truth cannot be controlled by evil and deception; it sets us free.

I pray this article has opened your eyes.

Shalom.
