Reflections

Who is the LORD?

What you see here is a drawing of Beelzebub.

Who is he? Well he is Satan's right-hand demon.

The Devil's BFF. This demon's name literally means, "The Lord of the Flies." You can bet that where he is, trouble will follow.

Ba'al ([Biblical Hebrew](#) בעל, pronounced [['baʕal](#)], usually spelled **Baal** in English) is a [Northwest Semitic](#) title and honorific meaning "master" or "lord" that is used for various **gods** who were patrons of cities in the [Levant](#), cognate to [Akkadian Bēlu](#). A **Baalist** or **Baalite** means a worshipper of Baal (**lord**).

"Ba'al" can refer to any god and even to human officials; in some texts it is used as a substitute for [Hadad](#), a god of the rain, thunder, fertility and agriculture, and the [lord of Heaven](#). Since only priests were allowed to utter his divine name, Hadad, Ba'al was commonly used. Nevertheless, few if any [Biblical](#) uses of "Ba'al" refer to [Hadad](#), the lord over the assembly of gods on the holy mount of Heaven, but rather refer to any number of local spirit-deities worshipped as [cult images](#), each called *ba'al* and regarded in the [Hebrew Bible](#) in that context as a [false god](#).

“Lord is a title with various meanings. It can denote a prince or a feudal superior (especially a feudal tenant who holds directly from the king, i.e., a baron). The title today is mostly used in connection with the peerage of the United Kingdom , or its predecessor countries. Although some users of the title do not themselves hold peerages and use it 'by courtesy', the title may also be used in conjunction with others to denote a superior holder of an otherwise generic title in such combinations as "Lord Mayor" or "Lord Chief Justice". The title is primarily taken by men, while women will usually take the title 'lady'. However, this is not universal, as the Lord of Mann and female Lord Mayors are examples of women who are styled 'lord'...In religious contexts Lord can also refer to various different gods or deities. The earliest uses of Lord in the English language in a religious context were by English Bible translators such as Bede. This reflected the Jewish practice of substituting the spoken Hebrew word 'Adonai' (which means 'My Lord') for YHWH when read aloud....According to the Oxford Dictionary of English, the etymology of the word can be traced back to the Old English word 'hlāford' which originated from 'hlāfweard' meaning 'bread keeper' or 'loaf-ward', reflecting the Germanic tribal custom of a chieftain providing food for his followers.[1] Lady, the female equivalent, originates from a similar structure, believed to have originally meant 'loaf-kneader'.”

King James Version

Original Preface [1611]

Epistle and Dedicatorie

To the “**most high**” and mighty Prince, James by the grace of God
King of Great Britaine, France and Ireland, Defender of the Faith , &c.
The translators of *The Bible*, wish Grace, Mercie, and Peace, through Jesus Christ our Lord
(BAAL).

KJV Translation

(A small segment)

In the Old testament the translators render the [Tetragrammaton](#) YHWH by "the **LORD** (BAAL-**יְהוָה**)" (in later editions in [small capitals](#) as LORD), or "the **LORD God**" (for *Adonai YHWH*, "**Lord** YHWH"), and in four places by "[IEHOVAH](#)" (Exod. 6:3, Psalm 83:18, Isaiah 12:2 and 26:4).

THE CHURCH OF ENGLAND is nothing BUT a CATHOLIC ROMAN CHURCH influenced with the corrupt touch of the Protestant Reform, they remained Sunday keepers, did away with

the Commandments replacing them with rituals and liturgies, they appointed 47 "scholars" and produced the flawed "*King James Bible*".

There is much more to the word *lord* than meets the eye. If you look up *lord* in the dictionary, you would find a few eye-openers. *Lord* is defined as one who has authority, nobleman, Beelzebub (G-954 for dung-god, Satan, G-896 for the Phoenician deity Baal (lord of the flies) as a symbol of idolatry, H-1168 for Baal), Christian Jesus, and a baron. Wait a second, did we just say Beelzebub? Isn't Beelzebub the prince of Demons? There is one being that wears that title: Satan's right hand demon. MathathYahu (Matthew) 10:25, 12:24-27, Mark 3:22 and Luke 11:15-19 are all scriptures dealing with Beelzebub the Prince of Demons. *Lord* is a demonic watered down translation of Shatan!

Didn't you notice that *lord* also means Baal? Baal is the god of the Phoenicians (Shatan) and another name for Beelzebub. Ready to have your mind meshed out? YaramYahu (Jeremiah) 23:25-27 shows how the fathers of Yasharel (Israel) forsook the Name of YAHUAH for Baal (*lord*)!!! It is such a detestable thing to read translations that say things like "the name of *lord* god", or "have forgotten the *lord* for Baal", when they are all the same thing!! Read Husha (Hosea) 2:16-17!! YAHUAH is going to remove the name of Baal (*lord*) from the mouth of His people. You really think it doesn't matter? Read about Baal and Baalym in the scriptures (H-1168, H-1176, and G-896 respectively). Furthermore, *lord* comes from the old English spelling of lard which comes from Roman deities associated with sun-worship. The Greek deity Helios was originally called Kurios (we saw him in the section entitled "In God We Trust"). Be it Jesus, Zeus, Helios, or any other deity, calling them *lord* and god is 100% accurate because they are pagan objects of worship. It is a sin and a violation of Thurah (torah - law of YAHUAH) to refer to the Most High as any of the names (Shamuth (Exodus) 20:7).

Conclusion...

I have given enough information on this subject to prove that this title (LORD/Lord/lord) is demonic in origin. The title hinders knowing YAHUAH, and it is downright disgusting.
